

INSTRUCCIONES:

For aluminium extrusions, these prices just apply to oxidated ones (i.e. code01/02). IF you need other special surface treatment, please refer to the following rules:

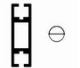

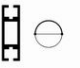

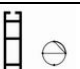

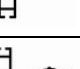

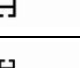

1. The price of high polishing extrusions (i.e. code11/12) is as 1.3 times as the following ones.
2. The price of electrostatic powder spraying extrusions in white (i.e. code20) is 1.08 times to the following ones. If you need other colours, the price is 1.15 times.
3. The price of wood grain extrusions is 1.3 times to the following ones.
